

Have You  
**outgrown**  
Your ERP System?

## Are You Finding That Your Existing ERP Application:

1. Doesn't integrate with your other applications?
2. Can't give you the information that you need?
3. Just can't support your growing business?

If the answer is "YES," Oracle and Dynamic Information Systems would like to talk with you. We'll be contacting you in the near future.
