

ORACLE — A PRIME RESOURCE FOR GOVERNMENT CONTRACTORS

Join Oracle, Broadpoint, KCI and other business leaders for a **Professional Services Federal Marketplace meeting** to be held at Oracle's Reston offices on April 20th from 8:30–11:00 a.m. Find out how the Oracle e-Business Applications Suite is taking a leading role in the Government Contracting space.

Hear directly from organizations like yourself who have moved to the Oracle platform. Understand the insights of companies that have implemented Oracle solutions in this marketplace, and **learn how the Oracle footprint can help you achieve increased profits and lower costs** in this highly competitive marketplace while achieving compliance with federal and state regulations.

Date: April 20, 2004

Time: 8:30–11:00 a.m. (breakfast included)

Location: Oracle Reston, 1910 Oracle Way, Reston VA

RSVP to: Meredith Ashman 610.408.4878 or meredith.ashman@oracle.com
