## The Oracle HRMS Experts

Learn how to automate your organization's entire business-to-employee relationship *via the Internet*. Hear how companies who have adopted B2E are achieving significant productivity gains and maximizing their return on investment.

Bob Greene, Director of Oracle HRMS Sales Consulting, will discuss Oracle HRMS solutions that enable the full B2E relationship including:

- Manager Self Service
- Employee Self Service
- Portal
- iRecruitment
- Compensation Workbench

Mark Silverstein, CEO of Xcelicor, will present client B2E case studies including ROI achievement.

As a special thank you, all participants will receive an Oracle T-Shirt and Xcelicor Pin!
